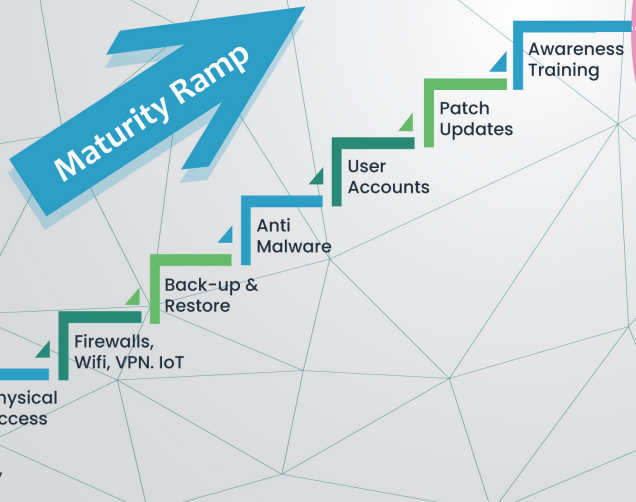
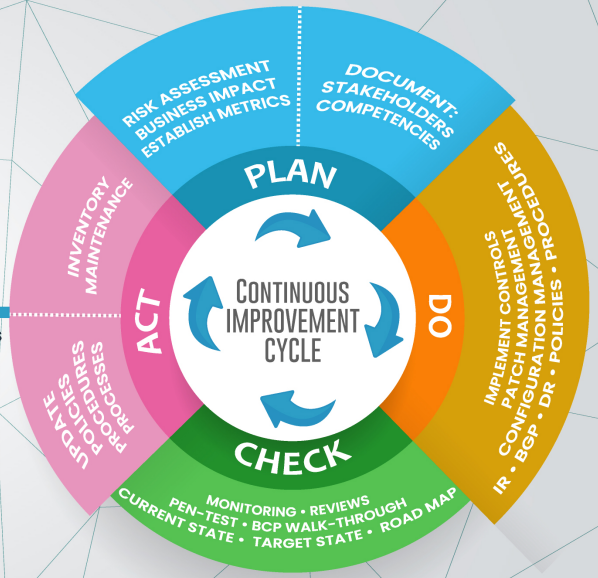
1) Board Support
Cyber Security Policy Statement

2) Retain a Cyber Expert

The UK National Cyber Security Association ukncsa.org

Unified Cyber Security Framework





MATURITY CYCLE

©Copyright 2019 UKNCSA

Your Cyber Expert will carry out:

- Asset discovery
- Threat & Vulnerability Analysis
- Business Impact Analysis
- Risk Assessment
- Mitigations – Defence in Depth
- Policies and Procedures
- Third Party Management

OPTIONS

High calibre, full-time Cyber Experts (CISOs) are in very short supply. Recruiting them is a real challenge and expensive.

Virtual/Fractional Expert

- Fully qualified and experienced Expert
- Lower Costs
- Adaptable to new situations
