FML Ship Management Ltd.*

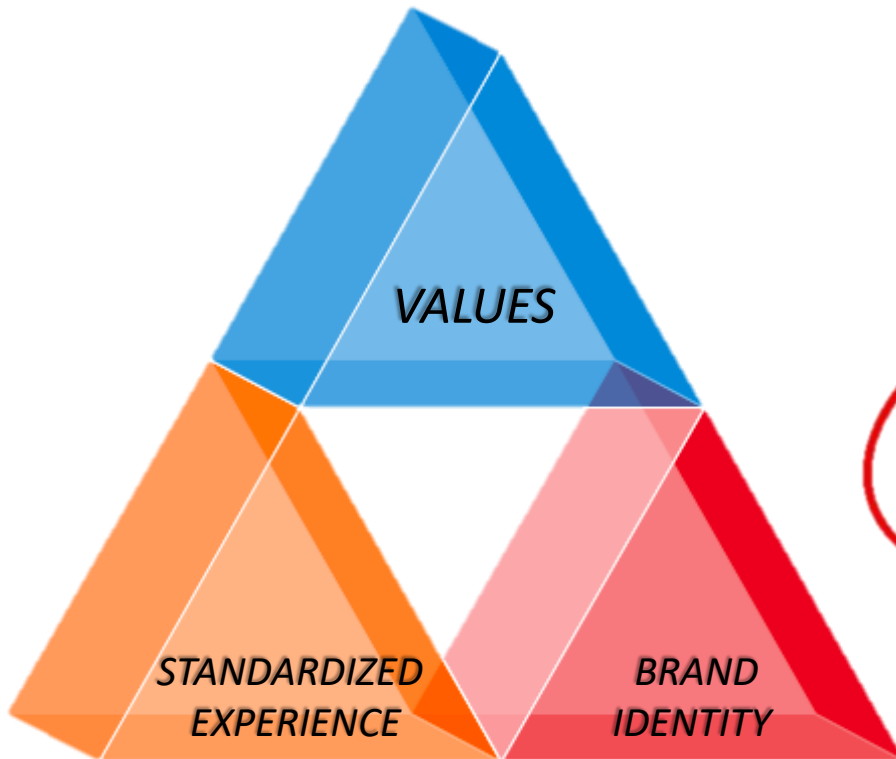

Achieving Consistency

Good Customer Service experience

Business Growth & Client Retention

Why do Systems and Policies fail ?

Sometimes we ...

- *Shuffle the priorities under pressure of meeting deadlines*
- *Take shortcuts - because it's easier, simpler and faster*
- *Don't notice – because we are tired, stressed, distracted or preoccupied*

Because we

Using Technology to ensure Uniformity in management services

- *Systems that Support*
- *Process that oversee Policy*
- *Training that is Tailormade*

***3 Tools that help attaining consistency
in Operational Execution of Management Services***

Achieving Consistency

SYSTEMS THAT SUPPORT

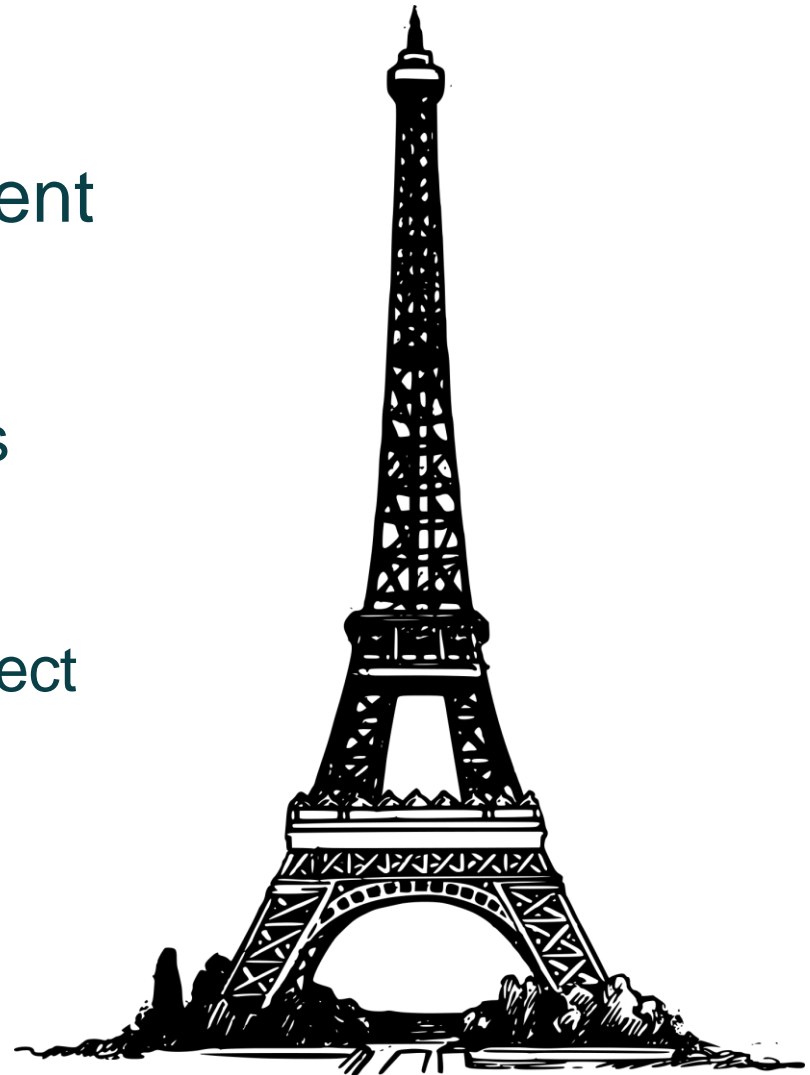

PARIS -

Planning And Reporting Infrastructure For Ship

A 24/7 Online System that takes Ship Management to the next level

- cloud-based system that has been specifically developed to provide an online real-time dashboard showing every aspect of a vessel's performance, condition, and operating cost.
